

Interception components

FL 69

Application
For crossing walkways on flat roofs
The optimal step protection for lightning protection round conductors on flat roofs

Characteristics
Loadable up to 1500kg
UV resistance

Article-Nr.	E-Number									
226.021.000		6 - 10	PU	500	380	72				1

Technical Specifications: **FL 69**

Article No.	226.021.000
Application	Flat roof
Mounting type conductor	eingelegt
Material	PU
Material of holder	Plastic
Material of carrier	Plastic
Wire diameter	6 - 10 mm
Diameter conductor	6 - 10 mm
Length a	500 mm
Width b	380 mm
Height c	72 mm
Commercial specification	
country of origin	CE
Logistic specification	
VPE Weight	6.4 kg
