Technical Specifications: **Conductor clip for wire AV 20**

|                          |                  |
|--------------------------|------------------|
| Article No.              | 245.028.012      |
| Material                 | CuNi             |
| Wire diameter            | 6 - 8 mm         |
| Screw                    | D. 5x70          |
| External diameter        | 14 mm            |
| Wall distance            | 10 mm            |
| Mounting type conductor  | With screw clamp |
| Mounting type holder     | Bore hole        |
| Material of holder       | Copper           |
| Commercial specification |                  |
| Customs number           | 85389000         |
| country of origin        | CH               |
| Logistic specification   |                  |
| VPE Weight               | 0.62 kg          |
