M Hexagon Nut M8

Characteristics
Nuts for screwing various components together

Article-Nr.	E-Number									
950.04.300		InoxA2	M8							500

Technical Specifications: **Hexagon Nut M8 M**

Article No.	950.04.300
Material	InoxA2
Screw	M8
required torque	20 N·m
Commercial specification	
Customs number	0
country of origin	undefined
