

Loop with cotter

FRL 2 Loop with cotter

Application
For standard insulators and copper or bronze cables or wires

Characteristics
Conductor attachment via captive corded cotter made of stainless steel, loop on the side for opening

Material
Inox A2 body, copper sling

Article-Nr.	E-Number									
111.057.102	156 252 070	InoxA2		50						25

Technical Specifications: **Loop with cotter FRL 2**

Article No.	111.057.102
Material	InoxA2
Nominal cross section conductor	50 mm ²
For pull protected connections	Yes
Suitable for round conductors	Yes
Sleeve form	Short
Suitable for high temperatures (to 650 °C)	No
Oil stop/centre bar	No
Suitable for fine strand conductors	No
Type of connection	End connector
Suitable for insulated varnish	No
Insulation	None
Surface protection	blank
Useful for stranded conductors	Yes
Voltage level	Up to 35kV
Suitable for flat conductors	No
Suitable for solid cores	No
Model	Standard version
Number of branches	1
Commercial specification	
Customs number	85359000
country of origin	CH
Logistic specification	
VPE Weight	9.265 kg
